Design, Development

The image shows the homepage of the ServiceMaster website. At the top, there is a navigation bar with links for Company, Services, Careers, Investors, Franchises, Experience, and News Room. The main banner features a blue-tinted photograph of two young girls looking at a tablet together. Overlaid on the banner is the text: "Delivering world-class residential and commercial services for more than 85 years." Below the banner are links for "Invest In Us", "Work With Us", and "Our Brands". To the right of the banner, there is a mobile phone icon displaying a careers page from the website. The mobile screen shows a "Careers" section with a "Watch Video" button and a paragraph of text about ServiceMaster's mission to provide essential services through empowered people. At the bottom of the mobile screen is a "Find Jobs >" button. The footer of the website includes the ServiceMaster logo and the text "servicemaster.com - Launched December 2016".

## Our Story

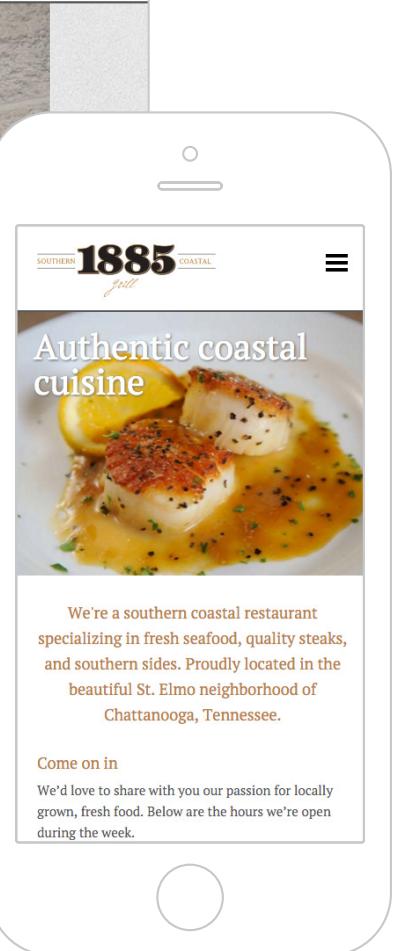

1885 Grill is a southern coastal restaurant that provides diners with a chance to escape their busy day and enjoy a meal-length vacation of the senses in the Chattanooga Valley.

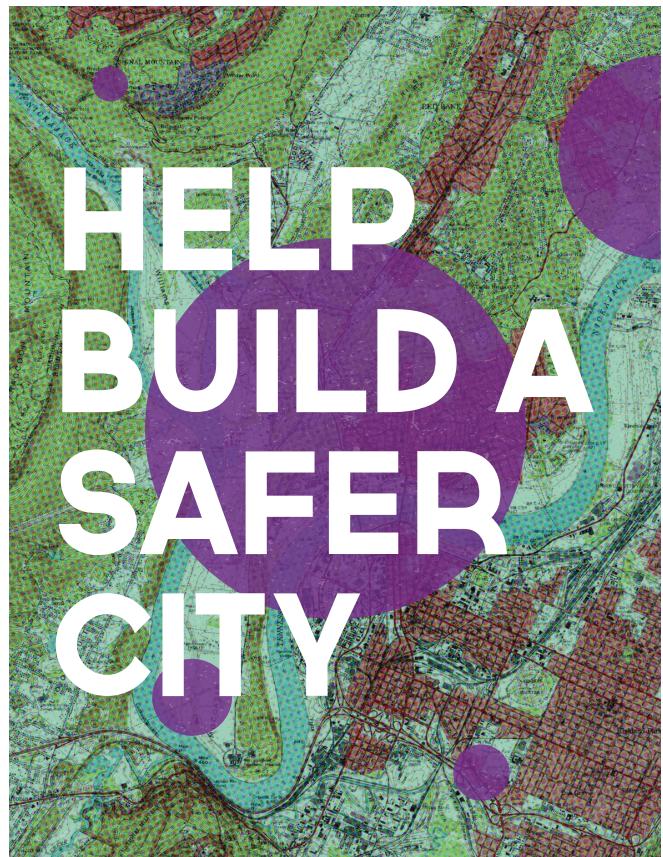

For owner Miguel Morales, the newest addition to the bustling downtown St. Elmo community is the culmination of 16 years of planning and training as a managing partner at Carrabba's Italian Grill.

Growing up in South Carolina, Morales was introduced to coastal fare alongside traditional southern cuisine from his mother with a dash of Spanish influence from his Puerto Rican

WHAT

An unconference focused on innovation for municipal governments and community organizations. Content is created and organized by participants which facilitates a creative, open exchange geared toward action.

WHY

This is an opportunity for members of the community to learn what is being done regarding how our city needs to work on new ways in which we can improve it. Great things come from Chattanoogans working together.
